**The CARE Committee is calling all kids and parents to the
Edward Fenn Elementary School!**

On Saturday, February 3, from 9:30 – 11:30am, the Edward Fenn Elementary School (EFS) CARE Committee will hold a special event for kids and parents. According to Ben Mayerson, Chair of the GRS Building Committee, “We recently shared our presentation, of the EFS and GMHS renovations and additions, with the CARE Committee. They were so interested in helping us get the word out that they offered to hold an event to help us spread the word!”

Bring your kids to the EFS on the 3rd, while the kids have fun under the watchful eyes of members of the CARE parent group; the GRS Building Committee and School Board will hold a presentation and open forum discussing the upcoming project. The kids will have the opportunity to play outside, play games inside, and maybe do a few craft projects.

“The March 21st vote is coming soon,” comments Karen Cloutier, Principal of the Edward Fenn. “This is your chance to come and see the plans, ask your questions, and share your opinions. You don’t have to have kids to attend. The CARE Committee is just so excited about the project that they felt parents with young kids needed this sort of opportunity, to have some time (during the day) to see the project.”

The presentation is open to the public, and all citizens of the GRS Cooperative are welcome to attend. Remember, that childcare is provided; beverages and a light snack will be available for all ages. For more information contact the SAU20 office at 466-3632. Visit the Building Committee’s webpage at www.sau20.org/building for more information about the school project. See you on the 3rd at the Fenn!
