

PUBLIC NOTICE

Notification is herein given to parents, teachers and school employees of SAU #20 that Management Plans for the safe control and maintenance of asbestos containing materials found in the Gorham Middle/High School, Edward Fenn Elementary School and the Milan Village School have been developed and implementation of these plans began on July 9, 1989. The Errol Consolidated School is asbestos free. These Management Plans are an Environmental Protection Agency requirement under the Asbestos Hazard Emergency Response Act (AHERA, Public Law 99-519).

AHERA regulation (40 CFR 763.93 (g)(4) requires that written notice be given that these Management plans are available and accessible to the public after May 8, 1989, at the administrative office of each facility listed below. All inquiries relative to the Management Plans or asbestos should be directed to Pauline Plourde, Business Administrator at 466-3632.
